**LINE-X
Spray-On Bedliners**

LINE-X Spray-On Bedliners withstand dents, dings and scratches to keep your truck bed looking new for years—despite the most hostile wear and tear. The liner resists chemicals, creates a water-tight seal to prevent rust and adds texture to the truck bed to help prevent cargo from sliding during transit. Plus, the added protection and noise-dampening qualities of the spray-on liner have no effect on existing tie-down hooks, cargo boxes and fifth-wheel attachments.

Every LINE-X bedliner has a lifetime warranty that's good at any of the company's 500-plus locations. Contact LINE-X at: (800) 831-3232; linex.com. **(\$450; one winner)**
